Hello [REDACTED]

I'm writing to recommend Jacob Noonan for the [REDACTED] Internship program. I've known Jacob for over ten years and have coached him in soccer, basketball, and the Southern Maine Gearbots program. Jacob is bright, energetic, hard working, and passionate about things that he loves. He's quick to help a friend. Jacob has the ability to bring a smile to your face, even on a day when things aren't going your way.

I believe that Jacob would be a great asset to your program and team. Feel free to call or email me with any questions.
